

# PRICE GUIDE 2022

## WHO WE ARE

---

We're a customer-focused team, dedicated to making it easy for anyone in New Zealand to get the fence they need. We listen to what you tell us and work with you to reach the best solution for your project.

Innovation has been at the heart of what we do at Boundaryline Fencing Systems since the company was founded in Invercargill, with a range of timber Post&Rail fencing many years ago. We quickly found there were people throughout the New Zealand construction industry that liked our way of doing things, so our range of fencing systems grew quickly

to meet the requirements of the market.

Today, with the widest range of fencing systems available on the New Zealand market and located in Auckland, Christchurch, and Invercargill – we have the products, service, and attitude to make fencing easy for you.

### PEOPLE FIRST

---

Boundaryline is a part of the communities we work in. People and relationships are paramount to our success.

### LOYALTY

---

Boundaryline is an established market leader in the fencing and gate industry, and recognises the driving forces that got us there. We are loyal to ourselves, our customers and our company.

### INNOVATION & CHANGE

---

As innovators, Boundaryline is always looking for ways to develop, improve and lead industry change while staying true to our values.

### FAIRNESS

---

Boundaryline stand by our work and exceptional service. Every deal must stand the test of time.

# POST&RAIL

The unique Boundaryline straight-through mortise of the Post&Rail system means that the rails interlock in the post without the use of any hardware. This makes a strong fence that is simple to install even on sloping ground and with curved fencelines.
